

Neuro Stockholm opens for applications about research grant 2024

Every year, Neuro Stockholm provides scholarships for patient-oriented research in Neurology, which is conducted within the region. This year, the scholarship is awarded to two researchers and is SEK 250,000 each.

Rules for the application

- The application must be presented in a popular science format on a maximum of 2 A4 pages (do not attach any other reference material).
- Applicant researchers must have an approved research project.
- The project or applicant must have a research account.
- The research must have a clear connection to Neurological research on adults.
- The scholarship holder must be prepared to give a general themed lecture about his project in the coming year, within the framework of Neuro Stockholm's lecture series.

Selection

The two Fellows are selected by Neuro Stockholm's board, all of whom are lay people in neurology and do not have any more in-depth knowledge of neurological research. Hence the requirement that the application/research be presented in a popular science format.

The scholarship is awarded on Friday, October 4, at a small ceremony in connection with our recognition of Neurodagen.

Applications must be received no later than Friday 21 June and sent to (see below)

Neuro Stockholm
"Stipendium"
Fatbursgatan 19
118 28 Stockholm

The application can also be sent digitally to stockholm@neuro.se
For further information, contact Kerstin Kjellin, chairman Neuro Stockholm
